Subject: FW: Oregon pesticide and water issues/complaints from forestry

Hi Alan, I sent the below to the wrong email! Hope this makes it.

Hi Alan and Mary Lou,

You may have seen this, but just in case...Alan, do you know if the R10 forestry coordination meetings are still going on? I am supposed to be the WQS rep on those meetings. May be helpful to catch up on the PCW/forest rules and pesticides. Can you make sure I am on the list for those? I think the last one I attended was a while back, over 6 months ago.

Thanks so much, Rochelle
